I,¹ TRUONG, BACH YEN of 8 Palmer St, Footscray VIC 3011

make the following declaration under the Statutory Declarations Act 1959:

² Insert the full name of your partner

1. That I have a mutual commitment to a shared life as a husband and wife, to the exclusion of all others, with ² NGUYEN, HUNG PHI.

³ Insert the full name of your partner

2. That our relationship is genuine and continuing.

⁴ Cross out whichever is in applicable

3. That ³ Nguyen, Hung Phi and I are living together at the address above.

⁵ Insert number of months or years.

4. That our relationship began in ⁵ March 2019 and we have lived together for ⁶ 4 year 6 months. We got married on 4th January 2020.

⁶ Insert number of months or years.

5. *Describe financial commitments you and your partner share, for example joint/individual bank accounts, ownership of property or other major assets, pooling of financial resources and sharing of day to day household expenses.*

We're currently living off our savings and our children also support us financially. When Phi's visa allows him to work, he hopes to find a job with flexible hours so that he could work and still could take care of me. He mentioned about selling his property in Vietnam so that we could buy a place together in Australia. I really do hope everything would work out so we could have a stable and comfortable live.

6. *Describe the nature of your household including any joint responsibility for the care and support of children, your living arrangements and sharing of the responsibility for housework.*

In our household, Phi did most of the works. My limited mobility had led him to actively do all the house chores, including tending to the garden, shopping and cooking. I helped him sometimes when I felt up for it. Phi also encouraged me to do some walkings around the neighbor to get fresh air, and he always came with me.

My daughter and her partner sometimes come home during the weeks to share meals with us. They also come over on weekends to spend time with me and help us around the house or to run errands.

7. *Describe the social aspects of your relationship including social activities, attending special events or joint travel you and your partner undertake.*

Since we got married in 2020 until now, with my conditions and Covid lockdowns, we didn't get to travel much. We needed to better be safe than sorry. Therefore, we mostly stayed at home and spent time around the house.

8. *Describe the nature of your commitment to each other including the degree of companionship and emotional support you draw from each other and whether you see the relationship as a long-term one.*

My life has been challenging due to the departure of my ex-husband, and my health has weakened considerably. Since meeting Phi and living together, it has brought a happiness I never thought I would have in my old age. I only hope for good health to hold Phi's hand every day, sharing our lives together. All past pain and losses will fade away; we will care for and support each other. I also hope our children, both mine and Phi's, will always support this relationship. We came together due to a lack of love and a missing life partner to love and share with. Meeting each other is the luckiest thing in our lives. Having experienced two significant losses, the death of my ex-husband and my father, I now only wish to be with Phi forever. We have the opportunity to care for and love each other until the end of our lives.
